- **August, 1980**—Eighth Annual IPA Convention.

Yodelayeehoo !

This is a call for submissions to the *Newsletter*. Our first of this year is now in process. For the following, we are looking for articles on personal experience. What is happening in your life, in your therapy process? For those who attended, what happened that was exciting and meaningful for you at our Annual Convention this year. Write about a workshop you attended or an encounter you had, for example.
